

# Sustaining the Teaching Profession through Coaching

Four online workshops to adopt a fresh lens, rethink your purpose and learn innovative tools for a sustainable teaching profession.

**Starts Wednesday  
3rd of November  
2021**

**Sustainable  
Pathways**

# Workshop Outcomes

Explore the sustainable impact of connecting with purpose

Apply an effective tool to break through limiting assumptions

Develop agile thinking to tackle polarisation and 'groupthink'

Discover how to not interrupt creative flow for innovation

Experience a pioneering framework for meetings

One bespoke coaching session outside of group workshops

# Overview of Workshops

## 1. How can connection with purpose sustain your role?

2 hour workshop

Learn how to begin connecting with your purpose for longevity.

## 2. How do we enable creative thinking to flow for innovation?

2 hour workshop

Learn two tools that will enable you to bring creative flow into your discussions.

## 3. What do we need to consider for improving the quality of meetings?

2 hour workshop

Learn a pioneering framework which you can apply to improve the quality and productivity of your meetings.

## 4. What do we need to do to recognise and detach from limiting assumptions?

2 hour workshop

Learn a step by step process to help you recognise and remove limiting assumptions / beliefs.

“Those who do not have power over the story that dominates their lives, the power to retell it, to rethink it, deconstruct it, joke about it, and change it as times change, truly are powerless because they cannot think new thoughts.”

Salman Rushdie
